

# -25°C Chest Freezers CFQ

2000 series

## -25°C Chest Freezers CFQ 2000 series

-25°C Chest Freezers CFQ 2000 series is perfectly designed chest freezers for storage of low temperature products with various features. They are space-saving and quiet freezers with an independent mixed refrigerant, dual insulation for saving energy which are optimal for laboratory and industrial use.

### Features

- › The digital temperature display can indicate operating status clearly
- › Provided with high-precision temperature control system enables users to set temperature inside the cabinet within a range from -10°C ~ -25°C
- › The refrigerant used is Freon-free, environmental friendly and the compressor supplied by an international famous brand ensure energy saving and high efficiency
- › The condenser is installed at the bottom ensuring temperature stability and system reliability
- › Provided with CFC-free polyurethane foaming technology and thermal insulation layer can improve effect of thermal insulation to a large extent
- › The turn-on delay and stopping interval protection function provided in this system can ensure reliable operation
- › For safety purposes it is equipped with multiple alarm functions, such as high temperature and low temperature alarm, door opening alarm, sensor failure alarm and system failure alarm can improve safety of storage
- › For improving security of sample storage, the door is equipped with lock system
- › Provided with built-in shelves for placement of things conveniently and air-bag type built-in door gasket which is dustproof, easy to clean

### Applications

Used for storing virus, germs, blood cells, bacteria, plasma, biological products and applied in the field of scientific research, university laboratories, electronics industry, chemical industry, biological engineering, hospitals, blood banks, military industries, pelagic fishery companies, sanitation and anti-epidemic.

## Specifications

Model No.	CFQ 2000	CFQ 2001	CFQ 2002
Capacity	196L	358L	508L
Temperature Range	-10°C ~ -25°C	-10°C ~ -25°C	-10°C ~ -25°C
Internal Dimensions	870*400*510 mm	1080*525*728 mm	1570*620*640 mm
External Dimensions	1035*630*928 mm	1295*670*908 mm	1755*775*875 mm
Power	71W	121W	240W
Power Supply	220V/50Hz 110V/60Hz	220V/50Hz 110V/60Hz	220V/50Hz 110V/60Hz
Net Weight	37kg	59kg	83kg
